

JENNIFER BAUMGART

FRONTEND DEVELOPER

Location: Blumenau, SC | **Phone:** +55 47 997193941 | **E-mail:** jenniferdsbaumgart@gmail.com | **Linkedin:** <https://www.linkedin.com/in/devjenniferds>

I'm a versatile professional with experience in Front-End development and UI/UX design, seeking to contribute my skills in HTML, CSS, and JavaScript with a focus on ReactJS, NextJS, and TypeScript. I have experience in developing and optimizing websites, applying responsive design practices and ensuring a high-quality user experience.

Key Competencies: Teamwork | Problem solving | Communication | Fast learner | Adaptability

PROFESSIONAL EXPERIENCE

MINERVA CONTROLS

Frontend & UX/UI Designer

Remote

Aug 2024 - Current

- Design and implement responsive web application interfaces using Figma, ensuring intuitive and visually appealing user experiences that align with client expectations.
- Develop and deploy clean, maintainable code with HTML5, CSS3, Python, and Git, leveraging cloud platforms like AWS for scalability and performance.
- Enhance company website functionality via WordPress, delivering timely updates that improve client engagement and satisfaction.
- Write and integrate automated tests using Selenium, enhancing feature quality and preventing regressions by incorporating them into CI/CD pipelines, streamlining development cycles.

FREELANCER

Frontend & UX/UI Designer

Remote

Nov 2023 - July 2024

- Delivered front-end development and UI/UX design solutions, building responsive websites and applications with React, incorporating advanced styling techniques for a seamless user experience.
- Collaborated closely with clients to define project requirements and ensure designs met user needs and business objectives.
- Created wireframes, prototypes, and user flows using Figma, enhancing overall interface design.
- Achieved 98% design-to-implementation accuracy with minimal revisions required, ensuring efficient and seamless project delivery.
- Reduced project delivery times by 15% through streamlined development processes, resulting in faster turnaround and higher client satisfaction.

THE BROOKLYN BROTHERS

Webmaster

Remote

May 2023 - Oct 2023

- Built and maintained websites using Adobe Experience Manager, ensuring high-quality, client-approved deliverables with HTML and CSS components.
- Collaborated with DevOps via Jira and Wrike to resolve issues swiftly, optimizing site performance and user satisfaction.
- Participated in daily SCRUM meetings via Microsoft Teams, fostering effective team communication and iterative improvements.
- Reduced errors and complaints by diligently tracking tasks, enhancing operational efficiency.

+3 years of experience on Quality assurance guaranteeing great maintenance workflow, data monitoring, failures reduction, keeping SOPs update and providing reports.
